# Saurabh Rajesh Pandey

## OBJECTIVE

Eager and skilled web developer with a passion for creating user-friendly websites. Proficient in HTML, CSS, JavaScript ReactJS and NodeJS. Recent graduate seeking opportunities to contribute and grow in web development projects. Quick learner and detail-oriented. Ready to make a positive impact in a supportive team environment.

## EXPERIENCE

### ● Internship : Backend Developer

**Company :** Bombaytech Pravit Limited

**Duration :** April 2022 to July 2022

During my internship at Bombaytech Private Limited, I had the valuable opportunity to work in the Backend Development . Over the course of three months, I gained hands-on experience and insight into the intricacies of creating robust and efficient backend systems for web applications.

### ● Position : Spatial Data Specialist I

**Company :** HERE Technologies

**Duration :** July 2022 to August 2023

As a Spatial Data Specialist at HERE Technologies, I played a crucial role in ensuring the accuracy and quality of spatial data used in various location-based services and applications. My responsibilities encompassed managing, analyzing, and optimizing spatial data to provide users with reliable and up-to-date location information.

## CERTIFICATION

### ● Certification : Complete NodeJS Developer in 2023 (GraphQL,MongoDB)

**Platform :** Udemy

This program provided me with a deep grasp of Node.js development, and I also gained expertise in cutting-edge technologies like GraphQL and MongoDB.

### ● Certification : Full Stack JavaScript Developer

**Platform :** Ineuron

From this program I have gain expertise in front-end technologies HTML , CSS , JavaScript, ReactJS, Bootstrap, Tailwind and +more and back-end technologies NodeJS and MongoDB.

## PROJECT

### ● VS Code UI clone

**Link:** <https://vs-code-clone-saurabh.netlify.app>

Created Vs-code UI clone using CSS framework Tailwind

### ● Movie App

**Link:** <https://moviexapp.netlify.app>

Created a movie information app using ReactJS and API where user can get information of any movie
